### RE: Customer Reference – Big Bird Tree Service

I am happy to write this letter of reference concerning services rendered by Big Bird Tree Service.

We are well pleased with the work performed by Big Bird Tree Service. They are very professional and polite. They were here at the schedule time and worked vigorously to finish the job in a timely fashion. Accordingly, I have no hesitation in recommending them as a company with which to do business.

In addition to doing business with this company there was no hidden clauses at the end of the contract. The price quoted was indeed the price paid with no additional fees. I am quite comfortable in vouching for this company.

As far as a company to do business with, Big Bird Tree Service is highly recommended. I will do business with them again as well as recommend them to my friends and clients.

We maintained close communication with the company's production people and they kept us apprised of the upcoming workload. In addition, Big Bird Tree Service provided us with high quality work that has given our building a fresh look.

Based on our experience, anybody who needs tree service should be very pleased with Big Bird Tree Service.

Sincerely,

Yvette Johnson
